LANON IT Services Ltd — Website Cookie Policy

Version 2.0 — For lanon.co.uk website users

Last updated: 12 November 2026

This Cookie Policy explains how LANON IT Services Ltd ("we", "us", "our") uses cookies and similar technologies on lanon.co.uk. It should be read alongside our Privacy Policy.

LANON IT Services Ltd also trades as TechKeptSimple (techkeptsimple.co.uk). The same company is the data controller. This policy covers the LANON website only.

1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website. They help websites function properly, keep them secure, and in some cases provide information to website owners. Similar technologies include local storage in your browser.

Cookies are often grouped as:

- **Essential** (strictly necessary) — required for the website to function or to keep it secure
- **Analytics** — help the site owner understand how visitors use the site
- **Functional** — remember choices or preferences
- **Marketing / tracking** — used for advertising or behavioural tracking

2. Cookies we use

The website is hosted on the Wix platform and is delivered via Cloudflare.

We currently believe that lanon.co.uk uses only cookies and similar technologies that are strictly necessary for the website to work and be secure. These may include security and performance technologies set by our hosting and content-delivery providers.

Strictly necessary technologies may be used without consent where the applicable exemption applies.

We do not currently use analytics, functional or marketing cookies. If we introduce non-essential cookies or similar technologies, we will update this policy and will not use them without appropriate consent.

This is our current understanding of how the site works. We will review it against a browser audit of the live website and update this policy if that evidence differs.

3. Links to other websites

If you follow a link from our website to another site, that other site may set its own cookies under its own policy.

4. Managing cookies

You can control cookies through your browser settings, including blocking or deleting them. Blocking some cookies may affect how the website works.

5. Changes to This Cookie Policy

We may update this policy from time to time to reflect changes in technology, law or our website. Any updates will be posted on this page with a revised “Last updated” date. If website functionality changes, or if we add analytics or advertising tools, we will update this policy and, where required, ask for your consent first.

6. Contact Us

LANON IT Services Ltd

Company No. 17058276
